

SENATOR MARSH: Mr. President, my compliments to the committee chairperson and to the members of the committee for catching the he's in this bill, and correcting the language. I certainly subscribe to the corrected language in LB 606, and urge the Legislature to adopt the committee amendments.

PRESIDENT: Senator Chambers.

SENATOR CHAMBERS: With all due deference to Senator Marsh, I think Senator Kremer can justifiably be referred to as Chairman.

PRESIDENT: Do you wish to close on Senator Chamber's argument, Senator Marsh? The question then is the adoption of the committee amendments. Record.

CLERK: 26 ayes, 0 nays on the adoption of the committee amendments, Mr. President.

PRESIDENT: The committee amendments are adopted. Senator Shirley Marsh.

SENATOR MARSH: Mr. President, members of the Legislature, LB 606 provides an additional method of changing the name on a motor vehicle drivers license. Currently there is not this provision in law. In order to forestall some of the questions that may be coming, I would like to tell you how a woman can go back to her maiden name now, in other areas. She can use her birth certificate, her marriage license, credit cards, social security cards, employment records, bank records. People changing their name by divorce, marriage and et cetera have only one document, therefore, I urge your advancement of LB 606 so that this will clarify, in this one category, all the other areas which are in use in common law.

PRESIDENT: Record your vote. Have you voted? Record.

CLERK: 25 ayes, 0 nays, Mr. President, on the motion to advance.

PRESIDENT: The bill is advanced. LB 599.

CLERK: Read title to LB 599. The bill was read, for the first time, on January 4, 1978. It was referred to the Banking, Commerce and Insurance Committee. It was advanced to General File. There are committee amendments pending by Senator DeCamp's Banking, Commerce and Insurance Committee.

PRESIDENT: Senator John DeCamp.

SENATOR DeCAMP: I move the adoption of the amendments.

PRESIDENT: Record your vote. Record.

CLERK: 26 ayes, 0 nays on the adoption of the committee amendments, Mr. President.

PRESIDENT: The committee amendments are adopted. Senator Rasmussen.

SENATOR RASMUSSEN: Mr. President, members of the body, what this bill does is modernizes investment authority Nebraska banks by adding to the formula of twice its capital stock and surplus, which has remained unchanged. (Machine malfunction) ...insured by the Federal Deposit Insurance Company, of course, is really increased now. It used to be \$5,000, it's now up to \$100,000 for time deposit, and \$40,000 for demand deposit. I'd ask for the advancement of 599.
